Beyond the Game Challenges

The Beyond the Game Challenges can tap into their talent apart from their competitive teams. Students with interests in the different sectors of the Esports Ecosystem can learn new skills, expand their knowledge, and gain real experience in potential future career opportunities.

NASEF provides different challenges and students will record and upload or record a video of their process and final product into the NASEF Flipgrid platform.

PARENT CONSENT

I represent that I am a parent and natural guardian or legal guardian of the child named below. I grant consent to my child's participation.

I grant to the Releasees a non-exclusive license to use the likeness, image, voice, photograph and/or name of me and My Child for any and all commercial and non-commercial purposes in perpetuity including, in connection with the marketing, promotion and/or advertising of the Federation and/or the Releasees and/or their respective services in any form or media known and unknown or hereinafter developed without geographic or time restrictions, without the right of prior inspection or approval and without further considerations, royalties or payment of any kind.
